

Brass Team

About

The brass team are a strong team of teachers and we have specialists across all of the instrument areas, which gives us lots of expertise to draw on when needed. Being a brass team, we enjoy being social and meet up across the year.

There's lots of opportunities to get involved locally with music making and our team can be found in brass bands, orchestras and in various stage bands across the county. Our teachers have a portfolio of work that involves teaching beginners up to preparing students for conservatoire and everyone is involved in at least one of the many wind, brass and jazz bands we run across the county. Other teaching is a mix of individual, small group and whole class brass projects.

We are fortunate to have a large supply of instruments to enable beginners to access instruments and band opportunities. Our team is welcoming and supportive and we look forward to more teachers joining us.

Come and experience music education the Berkshire Music way!
