

Music Services and Support for
Schools
in Berkshire

Welcome - Schools Brochure 24/25

Welcome

As the lead partner in the Berkshire Music Hub, Berkshire Music Trust is thrilled to assist schools in providing music education as part of a comprehensive curriculum.

- Our commitment lies in creating inclusive opportunities for all students and supporting school staff through various CPD training sessions
- We are dedicated to engaging in ongoing dialogues with schools, offering tailored support through our specialised team
- Our goal is to provide adaptable solutions that prioritise education
- We are wholeheartedly embracing 'The Power of Music to Change Lives: A National Plan for Music Education' and are eager to collaborate with you to achieve its vision for all children and young people

Dawn Wren
Chief Executive

Why Music?

“

Music Promotes Emotional Wellbeing

When we make or listen to music, we produce the hormones serotonin and adrenaline, making us feel energised and happy. Music can help children identify, express and regulate their emotions.

Children's Society, 2023

”

“

Music Builds Social Connections

Performing with others in a choir or band is an experience you never forget! Music ensembles help to satisfy our innate need as humans to be part of, and contribute to, a group endeavour, working towards a common goal.

Dawn Wren, CEO Berkshire Music Trust

”

“

Music Improves Learning Skills

Music can activate almost all brain regions and networks, it can help to keep a myriad of brain pathways and networks strong, including those networks that are involved in well-being, learning, cognitive function, quality of life, and happiness.

University of Harvard

”

“

Music Transforms Communities

Music can be the catalyst that makes a good school exceptional. When music is allowed to permeate the whole curriculum, it can have a positive impact on everything from academic attainment to student attendance and wellbeing.

Music, a Guide for Governing Bodies , ACE

”

“

Music is for Everyone

Music education.. is providing the tools by which young people, particularly those in challenging circumstances, can alter their understandings of their identities and their situations.

Reaching Out: Music Education with 'hard to reach' young people 2021

”

Why Berkshire Music Trust?

Opportunities

Our schools participate in large scale performances and experience live music performed by professional musicians

Experienced

Our teachers receive regular professional development and performance management

Safe

Our teachers are DBS checked and complete regular safeguarding training

Progressive

We provide full progression routes from beginner to advanced in both our lessons and our music centre ensembles

Inclusive

We are committed to making music for everyone

Meet Our Schools Team!

Our dedicated schools team are here to help!
Our School Development Managers are experienced classroom teachers who are able to advise on all aspects of music education.

Wendy Harvey – Senior Leader: Curriculum and Early Years

Wendy studied flute and piano at London College of Music before completing a PGCE in Secondary Music with an instrumental specialism at the Institute of Education. She went on to lead a highly successful music department in a London secondary school, teaching and leading music from KS3 – KS5 and coaching teachers across the school to improve teaching and learning. Since joining BMT in 2013, Wendy has trained to teach music to EYFS and KS1 as well as teaching general woodwind, piano, choirs and whole class instrumental programmes. She is passionate about enabling schools to provide a high quality music education to every child, and has a particular interest in curriculum design.

Janey Bee – School Development Manager (West Berkshire)

Janey has a BA (Hons) in popular music studies, majoring in performing. After gaining a PGCE in secondary music, Janey taught at schools in Yorkshire and Kent, becoming part of the senior leadership team. After 10 successful years in secondary teaching, Janey expanded her experience with a move into teaching music and pastoral leadership in the primary sector. After 11 years teaching in the primary sector, where Janey was able to share her wealth of knowledge to support colleagues to deliver music to the highest standards, she wanted to get back to focusing solely on music and she joined the wonderful voice team at Berkshire Music Trust. Janey is passionate about bringing schools and colleagues together to share the wonder that music can bring, particularly for the Junior (and soon to be Senior) Music Festivals.

Laura Bridger - School Development Manager (Reading, Windsor & Maidenhead)

Laura Bridger studied Musicology at King's College London to Masters level, studied clarinet at the Royal Academy of music and then qualified as a music secondary specialist, completing a PGCE at the University of Reading. As a passionate performing musician, Laura embraces the idea of learning music as practically as possible, and is constantly adapting pedagogical concepts to her teaching to meet the varied needs of the modern student. After nine years in the classroom as standards leader for music, Laura now teaches woodwind and coaches a variety of ensembles. She works with Berkshire schools in Reading and RBWM to develop curricular music provision with Berkshire Music Trust.

Reading & Windsor - laurabridger@berksmusictrust.org.uk
Bracknell & Wokingham - melaniehopkin@berksmusictrust.org.uk

Meet Our Schools Team!

Mel Hopkin – School Development Manager (Bracknell and Wokingham)

A passionate musician and educator, Mel joined Berkshire Music Trust after 18 years as a primary school teacher, most of those years spent teaching music at Hawthorns Primary School in Wokingham. She grew up in Hertfordshire, where she played cello with Hertfordshire County Youth Orchestra, and from there went on to study music at the University of Manchester, and then a PGCE in primary education with a music specialism at the University of Reading. She also has recently been studying for a certificate in music education from the British Kodaly Academy, and was awarded a scholarship to attend their summer school in 2022. Mel is School Development Manager for Wokingham and Bracknell, where she enjoys using all her experience to help ensure all children have access to high-quality music education in school.

Jamie Read - Partnership and Inclusion Manager

Jamie is available to provide specialist support and advice to special schools and alternative provision settings across the county. Jamie originally worked as a professional performer in London, the US and across Europe, before co-founding and leading an arts inclusion charity for 14 years. A highly qualified singing teacher and vocal coach, Jamie has worked in a variety of settings as a teacher, from vocational conservatoires to community projects. Passionate about giving people access to the arts, Jamie is also Chair of the Charlie Kristensen Foundation and in 2021 was honoured with fellowship of the Society of Leadership Fellows at St George's House Windsor Castle. Having lived in Berkshire his whole life, he is delighted to be joining the team at BMT.

School Music Self Evaluation Tool Kit – [click here to access our resources](#)

All schools should produce a Music Development Plan in a form that works for them, and while producing one is not a statutory requirement, we would encourage schools to develop them over the course of the next academic year, to help drive improvements in provision for all children and young people, with the aim of having a revised or new Music Development Plan in place for academic year 2023/24 at the latest.

Live Music - EYFS to KS5

Experience the magic of live performances by our talented musicians. Our groups can perform a range of repertoire from film favourites, rock & pop to classical pieces, with lots of opportunities for interaction from your students.

1 hour session
£331

Introduction to Steel Pans with CultureMix

Learn about the history and origins of steel pan music at a recital and presentation with professional steel pan artists. Including instrument demonstration, a live performance, a short film, audience participation, questions and answers.

All primary school pupils should experience live music as an audience member at least once a year
National Plan for Music Education

'Listen Up' Week - LIVE Music in Your School!

Give your students the opportunity to experience live music completely free of charge! Listen Up Week 2024-5 will take place during the week of the 11th November 2024.

Your students will:

- Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians. (National Curriculum for Music KS2)
- Experience inspirational input from professional musicians (National Plan for Music Education)

FREE

Our groups will give a 40 minute interactive performance to your EYFS - KS3 students. Watch out for our email with instructions on how to sign up.

"Listening to live music is completely experiential, and can be a vehicle for emotional expression, and regulation, both mood enhancing and altering" Lynne Gilmour, University of Stirling

SEN/Alternative Provision

All the students were so engaged with the music. They were laughing and they just wanted to take the instruments and play with them

Maria Rouco-Ferreiros, Thames Valley School

soundabout
make music change lives

SEN Schools

Berkshire Music Trust works with a range of partners to provide bespoke projects in SEN schools. Recent collaborations have included work with Soundabout, Open Orchestras and RPO Resound.

Using music and sound as a starting point, workshops are centred around communicating both musically and socially. Through a student led approach, the sessions develop week on week, allowing students to work on musical aspects such as rhythm, singing and call and response. Workshops can be a sensory experience, focusing on how music feels to the individual. Small instruments, sound boards and fabrics are some of the resources used within each session. A personalised approach is essential, and our teachers collaborate closely with school staff on individual education plans.

Berkshire Music Trust has access to iPads, as well as staff trained on how to get the most out of this exciting technology. iPads can be used in a variety of musical settings, to encourage exploration, communication and composition. Berkshire Music Trust can offer CPD in this area, to help staff use existing technology in a musical way.

Berkshire Music Trust musicians have recently visited several special schools across the county, delivering workshops, focusing on live music. We are always open to discussions with schools, to help promote, spread and champion the power of music wherever possible.

SEN/Alternative provision

In2Music for KS2

One, two or three term projects that enable children in KS2 to learn to play a musical instrument in a whole class setting. These projects are subsidised using Arts Council Funding. In2Music projects can be tailored to meet the needs of pupils with SEND and SEMHD. We are able to provide adaptive instruments to meet the needs of all learners.

Please contact our Partnerships and Inclusion Manager to make a bespoke plan for your setting.

Soundbeam projects **NEW for 2024-5**

Our brand new Soundbeam instrument is a 'touch-free' musical device that turns physical movements into sounds and music. Soundbeam translates any physical gestures into musical notes, enabling people of all abilities to create music.

[Click here to see a Soundbeam in action](#)

NEW for 2024/5

**contact us
for a tailored quote**

Alternative Settings and Pupil Referral Units

We are currently delivering projects in a number of pupil referral units across the county. We work closely in partnership with the wonderful team at Readipop. Through collaboration, support and communication, we can create bespoke, meaningful, musical experiences for a young person or group.

Our projects are pupil led and encourage your students to be creative. They develop lifelong learning and skills, encourage positive challenge, and build both personal and social confidence. Learners can explore a variety of 'popular music' instruments before going on to participate in lessons on their chosen instrument and discover the art of song writing. Learners work with each other as a band, and perform their own original compositions.

We can also design music technology projects where learners explore loops, drum beats and effects before creating and sharing their own tracks.

“Children from all backgrounds should have the chance to learn a musical instrument” National Plan for Music Education

Instrumental and Vocal lessons

'Musical instruments are a gateway to expression, connection, and comfort. It doesn't matter the instrument. It doesn't matter what anyone says. Once you have music in your life, it's there for life. Not only that, it helps make life better.'
Vaughan Fleischfresser

Music lovers, get ready to take your skills to the next level! Whether you're a fan of classical, pop, or anything in between, our lessons cover it all. Our experienced teachers are skilled at making sure everyone feels supported and confident throughout the learning process, so you can be sure your students will be jamming to their favourite tunes in no time.

Our School Development Managers can help you kick start instrumental learning at your school, or boost numbers for your existing tuition.

Parent Paid

- Parents register direct with Berkshire Music Trust and are invoiced directly by us
- Individual or group lessons are available
- Our teachers contact the school to arrange a suitable time and day to teach the lessons during the school day
- Students entitled to Pupil Premium or on low incomes can apply directly to us for fee assistance
- Full details are available on our [website](#)

Buy In

- School buys in a set number of hours for instrumental tuition and agrees a time and day with the School Development Manager
- Pupils can be taught in whole classes, large or small groups, or individually, as agreed with the school
- Students can work towards an end of year performance - talk to us about a bespoke project
- Berkshire Music Trust invoices the school directly
- School is free to pass on the cost to pupils if they wish

£61.75 per hour

'Berkshire Music Trust have provided outstanding provisions for many years in our school, promoting excellent music making through engaging instrumental and singing lessons with fantastic teachers.'

Curriculum

Curriculum Teaching

Our qualified and experienced music teachers can deliver your music curriculum and are able to provide PPA cover.

We ensure that your students cover all elements of the national curriculum, and much more! Schemes of work will be tailored to the needs of your setting, and our teachers will work closely with you to ensure music is an inspiring part of your children's learning experience.

Progression through units of work constantly reinforces knowledge and key skills in performing, listening, singing and composing. Students revisit, refine and extend their skills and knowledge in each curriculum area.

Buy in full days for 39 weeks and receive a 10% discount on our half day rate!

Charanga

Charanga Musical School is an award winning, cloud based digital music resource for schools and teachers, with exciting online learning platforms for children and young people.

- A complete scheme to teach the national curriculum for music
- A growing library of songs, topics, instrument courses and creative apps
- Support for assessment, SEND and personalised teaching and learning
- Resources to support the Model Music Curriculum

To subscribe, please contact Charanga directly via their website.

Focus on Sound

Focus on Sound is a great way to help you deliver the secondary music curriculum – it offers online resources to support pupils in learning a whole range of music skills, and is available across multiple devices. Teachers can also set and create their own custom material. The UK version supports teaching from KS3 to A Level and includes coverage of GCSE set works and topics.

We are able to offer discounted unlimited pro licences for just £350, which give every student in your school their own log in details. If you already have a licence and would like to upgrade, we can organise this as well. Please contact your School Development Manager.

EYFS and KS1 Workshops

Pantomimus - Live Music and Movement Workshops

Introduce your EYFS and KS1 students to the joy of interacting with live music!

Children will develop their musical skills through playful activities, taking part in singing games and movement and using our scarves, stretchy lycra and percussion instruments. Our experienced workshop leaders will introduce the children to real musical instruments, performing for them during the session. Our large pop-up screen with a beautiful open-ended painting creates a special place for the session.

**£620 for 5 weeks
Half day sessions**

Pantomimus projects engage all children whatever their culture, language and educational needs, and are often successfully used as an intervention to support language and communication development.

**£1,100 for 5 weeks
Full day sessions**

- Pantomimus runs for a minimum of 5 weeks in half or full day sessions and can be booked in half-termly blocks
- You will need to provide a space large enough for the screen to be set up and for children to do movement activities
- Children are taught in small groups of up to 15 at a time
- Each group lasts 30 - 45 minutes
- Mornings sessions usually run from 9.00 - 11.30am, afternoon sessions 1 - 3pm
- Teachers and other adults in your setting are encouraged to join in so they can develop skills to carry on musical activities after the project

[Click here to see Pantomimus in action.](#)

Pantomimus sessions are fun, lively, purposeful and engaging. The children are always laughing, smiling and dancing even when back in the classroom at the end of the session! Our children explore a range of songs, percussion and musical skills such as rhythm, pulse and beat which gives them a fantastic foundation on which to build in KS2. Our KS2 teachers (and visitors) have certainly noticed and commented on this!

Workshops

Bring your music curriculum to life with a visit from our professional musicians!

Workshops can be stand alone, or part of a series of sessions over several weeks. All of our workshops are tailored to your individual setting - the following are just ideas! Contact your school development manager to discuss your individual needs.

EYFS

MUSIC MAKERS

Our Early Years specialist will bring a range of inspiring percussion instruments and props to your setting and join in with the children's creative play. This is a child-led experience so children are free to engage as much or as little as they like, and we can be both indoors and/or outdoors, singing and playing instruments. The session also includes a teacher-led group time where children have an opportunity to meet special instruments and to sing together.

KS1

Music Games

Learn a variety of fun singing games to give your school a musical boost! The games promote a broad range of musical skills from developing singing voices to following a beat, and they also help to develop confidence and social skills such as turn-taking or following instructions. For maximum benefit, class teachers and other staff should attend with the children so that everybody can remember and continue to play the games after the workshop.

KS2

Creative Composition

Work with our professional musicians to explore a range of musical instruments and listening examples related to your chosen topic before creating and performing a brand new composition as a class.

Singing Sensations Workshop

Singing in the curriculum made easy - curriculum-seeds sown through singing. From rapping to singing, this is a workshop that can stand alone or can be built upon throughout the year. All you need is a smile.

Music Technology

Explore the world of music technology, experimenting with virtual instruments, voice recording and loops before structuring your ideas into a composition to export and keep! Easily tailored to different class topics, we can provide half day or full day workshops or longer projects to suit your needs. Suitable for children in Year 4 and above.

Starting from:
2 hour workshop
£220

Workshops

KS3 - 5

Music Technology

Explore the world of music technology, experimenting with virtual instruments, voice recording and loops before structuring your ideas into a composition to export and keep. Projects can be tailored to the interests of your students. We can provide half day or full day workshops or longer projects to suit your needs. We can deliver projects using Garageband or online platforms and further develop your students' skills using Logic or Cubase software. Workshops can be tailored to support your students in exam courses, including GCSE, A Level Music Technology and BTEC. Our teachers are experienced in using both Logic and Cubase.

Starting from:
2 hour workshop
£220

Our music technology specialists can also offer advice and support to help you get the best out of your equipment.

Confidence in your Changing Voice

Study how the voice works and how it changes. This workshop includes voice-box craft, use of the voice and confidence building techniques. Transform the confidence and participation of your boys in singing!

Any Key Stage

Steel Pan Music Workshops with CultureMix

Taster workshops are an ideal way to introduce steel pan music to your school through a day of hands on introductory workshops with tutors and a full set of instruments provided. Programmed to suit your school timetable, each workshop covers the history and origins, basic playing techniques and learning a simple song for an optional assembly concert.

KS2 In2Music Projects

In2Music

Our whole class instrumental projects enable EVERY child in KS2 to experience the benefits of playing a musical instrument.

This programme is part funded by the DfE subsidy offered in Term 1.

Term 1 – The Foundations

Meet your chosen instrument during a live performance by our teacher, before mastering the basics yourself!

Term 2 - The Performer

Experience the buzz of playing as a band with other members of your class, and grow your confidence in reading music.

Term 3 – The Creator

Get creative, developing your own musical ideas on your chosen instrument.

Arts Award Discover

Arts Award is a nationally recognised and accredited framework of qualifications. Discover is the introductory level award. Children will collect evidence in a log book during the course of the term which will be moderated by Berkshire Music Trust, and each student who completes this will receive a certificate.

Offered to all schools as part of the In2Music programme, but you may opt out.

- In2Music offers whole class instrumental projects spanning one, two, or three terms that align with the national curriculum for music
- Sessions last for 45 mins, with 15 mins set up time per school
- Each term is clearly mapped to curriculum objectives, allowing for seamless integration into your music curriculum
- Instrument hire includes a whole class set, and pupils are encouraged to take their instruments home to practise and share what they have learnt
- Sessions are timetabled in the morning, unless you request afternoons for an additional fee
- DfE subsidy is available for one KS2 class per year. Additional year groups will be charged at the full rate

'The (woodwind) lessons have been fun and engaging and the children have made amazing progress. As a teacher I am able to take the teaching style and methods into next term when we will be learning the recorders. The instruments are a great introduction to the clarinet and I am thrilled that there has been nearly half the class wanting to take up lessons. Thank you for this opportunity!
St Finian's RC Primary School,

Whole year per class £1,147*

**Total saving £705.50*

National Plan for Music Education

Choirs and Singing Assemblies

One of the easiest and most accessible ways of enhancing and increasing musical participation in your school is to offer a school choir. Whether this is during the lunch break, before or after school, our experienced choir leaders can help you get your choir started, support your existing choir development or lead the choir on your behalf. Our teachers can give expert input on vocal health and changing voices, and work in a wide range of genres.

We are also able to lead singing assemblies, increasing the sense of community in your school while helping to improve pupils' physical and mental wellbeing and their musicality.

60 mins - £77.20**

includes set up time

Bands and Orchestras

Already have pupils learning instruments? The next step in supporting your pupil's musical journey is to provide them an opportunity to play and perform in a group. Working as an ensemble not only enhances their musical learning but also builds team work and social understanding. Our experienced ensemble directors can help you form a band or orchestra, catering for pupils of all abilities and levels.

Culture Mix are also able to provide tutors for steel pan ensembles.

Chamber Ensembles

We are able to provide specialists in all instrumental areas who can direct specialist chamber ensembles such as flute choirs, jazz bands, or string quartets.

'Every secondary school should have at least one vocal and one instrumental ensemble, such as an orchestra or jazz band, working towards a diverse range of groups/ensembles which cater for a range of pupils.'

National Plan for Music Education

Music Technology

KS2 - in partnership with M:Tech

M:Tech is an after-school music technology and composition course for KS2 children. Running during club time, M:Tech teaches small groups of learners to create soundtracks for engaging projects like movie trailers, adverts and radio shows.

Covering traditional music in a fun and dynamic way, M:Tech has a tiered learning curve, with children completing new modules termly and earning certificates as they progress. Learners can also practise at home with the new 'My MTech' sketchpad.

**Contact M:Tech
directly**

There is no cost to offer M:Tech at your school. Parents pay for lessons directly and M:Tech provide all relevant equipment and handle timetabling, billing and parent logistics.

To learn more about M:Tech please email jack@mtechonline.co.uk.

KS3 - KS5

Berkshire Music Trust can offer sessions tailored to your specific requirements. We can deliver projects using garage band or on-line platforms and further develop your students' skills using Logic or Cubase software. Workshops can be tailored to support your students in exam courses, including GCSE, A Level Music Technology and BTEC. Our teachers are experienced in using both Logic and Cubase.
