

Early Years Team

About

We have an enthusiastic team of curriculum and early years teachers who are keen to make learning music fun and engaging right from the start. We have opportunities to teach curriculum music in nursery, primary and secondary schools, enhancing the National Curriculum and Model Music Curriculum guidance with our own individual musical skills. We like to share planning and ideas and look for innovative ways to teach young people. We also offer a range of music workshops to schools and are always looking for ways to inspire children to engage with musical activities.

We offer early years classes during the week and at weekends from birth to 7yrs old. These are very interactive sessions with lots of singing, dancing and playing percussion instruments. The basic elements of music are introduced to our littlest people in a fun way and provide them with the building blocks needed to go on and learn instruments or sing if they wish to.

Come and experience music education the Berkshire Music way!
